

3500 LITHE SERIES

3500 LITHE SERIES

Flexible, Graceful and Slender, Lithe is this and more. Our newest Series incorporates clean design, functionality and ease of adjustability. The innovative low profile, self-adjusting tilt tension mechanism will automatically conform to the user's weight. This exceptional and comfortable task chair will allow the user to reposition its preferred working posture in a smooth synchronized rocking motion with the option to lock in various positions when desired. ECD 3500 Series offers task, conference and lab stool models.
