

Hug

Public spaces

Hug's authentic design embraces the idea that beauty is in the details. Soft beveled upholstery details blend with chamfered wood elements to create a feeling that is crafted and modern, while providing support and comfort to patients and their guests along the way.

Webb Associates

In 1989, after decades working in furniture design, Roger Webb founded Webb Associates a design consultancy based in London. Today, Roger still leads the firm, but now is joined by fellow designers David Lancaster and Luke Smoothy. Webb Associates are known for their ergonomic

expertise and carefully tailored design solutions. Our partnership with Roger and his team has produced some of our favorite product lines, such as Heya by OFS and Hug by Carolina.
