

## Retrospect

Public spaces

Retrospect modular lounge allows specifiers to personalize and update their spaces. Optional arm designs, back placements, leg options, hang tables, bolster pillows and tablet options all support a series of benches in various sizes to offer a collection that is both flexible and stylish. The addition of benches scaled for children's areas

add complimentary seating for all visitors. Richly colored paint options paired with a beautiful offering of wood finishes, along with solid surface top options gives broad specification options. The collections varying heights are designed to allow users to group multiple tables for interesting and layered work surfaces.

Marcel Beck

## Beck & Beck Design Associates

For a product to be truly successful, Marcel and Rita Beck believe it must enhance and promote the company for which it was developed. Before creating their design firm, they attended furniture design shows across the world, finding inspiration and building

knowledge about the diversity of people and industries they would serve. In 1992, they brought back their experience to establish Beck & Beck Design Associates. Their international sensibility still influences each of their designs today.
