

Carolina updates its classic Y60G2 lounge furniture design with choice, versatility, and modern amenities. Designed by Beck & Beck Design Associates, Y60.G2 is clean and simple. Touches of wood veneer and exposed

plywood edges add inviting warmth to the chairs, settees, sofas, and benches. All pieces fit neatly in workplace, healthcare, or higher education spaces—and with companion furniture.

Marcel Beck

## Beck & Beck Design Associates

For a product to be truly successful, Marcel and Rita Beck believe it must enhance and promote the company for which it was developed. Before creating their design firm, they attended furniture design shows across the world, finding inspiration and building

knowledge about the diversity of people and industries they would serve. In 1992, they brought back their experience to establish Beck & Beck Design Associates. Their international sensibility still influences each of their designs today.
