

FEATURES

A SMART SIT

Sit down and Mila adjusts to you automatically. All that's left to do is check the height, and lock the back upright if you wish.

ARTISTIC ACCENTS

Mila's intricate aluminum arms and base show off the close attention to detail and craftsmanship. The mesh back version features a urethane-covered back frame with artfully designed beveled edges and gentle curves.

HIDDEN IN PLAIN SIGHT

There are no bulky mechanisms to interrupt Mila's artful geometry. The control is seamlessly integrated into the underside of the seat.

SLEEK SUPPORT

Mila's slim yet supportive upholstered back is made possible by a plastic and mesh inner frame encased in soft molded foam. If you prefer an airier look, you can opt for a breathable mesh back in your choice of 18 colors.
