

NEO COLLECTION

The Neo collection offers modern design, ergonomics, color choices and unmatched value – a real plus for today's workspaces. Multi-adjustable arms, synchro controls, and frames are available to choose from. Get started customizing your own Neo or Neo Lite using our user-friendly Chair Designer tool, where you can specify everything from textile patterns to frame colors.

FEATURES

NEO

Neo is equal parts style, comfort and value – ideally designed for task, conference, and collaborative spaces. Its simple, clean lines and 12 mesh colors make it naturally versatile and effortless to design around. Its molded foam seat featuring a waterfall edge is perfect for every sit, whether brief or extended. Every Neo comes with an integrated adjustable lumbar and a seat slider.

NEO LITE

Neo Lite has the same sleek contemporary design as Neo but at an even better value. Enjoy the comfort of the molded foam seat from our bestselling Strata chair. Choose your frame in either white or graphite gray with a matching breathable mesh back. Neo Lite comes standard with an integrated adjustable lumbar.

HIGH DESIGN WITHOUT THE HIGH PRICE TAG

The Neo collection's sleek, clean lines fit in any space. Select from our multiple frame and mesh colors to make it as bold and bright, or subtle and elegant, as your project calls for.

ADJUSTABLE LUMBAR STANDARD

Your Neo and Neo Lite come with a height-adjustable lumbar. Simply lean forward and slide the tabs up or down. Lean back, and enjoy the back support tailored just for you.

HAVE A SEAT, STAY A WHILE

Whether it's a quick huddle or a full day at a desk, the Neo collection keeps you comfortable. Ergonomic features like an adjustable lumbar support, a contoured waterfall edge seat, and a synchro control aren't extra – they're standard with each chair in the Neo collection. Our popular Neo series comes standard with a seat slider too.
