

FEATURES

MEET THE COLLECTION

Durable, comfortable with a modern design, our Mimi stacking models can be personalized to fit any work or public space. Choose either 4 leg or sled models.

VERSATILE BY DESIGN

Lightweight and stackable, our Mimi models are perfect for collaborative and multipurpose areas that require frequent change overs. Sled all plastic models stack 12 on the floor. 4 leg all plastic models stack 6 on the floor.

MIX AND MATCH

Mimi combines design, comfort and versatility. Choose either plastic seat models for easy maintenance and cleaning or upholstered seat models with thousands of textile choices. Create your own seating choice using our user-friendly Chair Designer tool, where you can specify everything from textile patterns to plastic colors.

PERSONALIZATION AND CUSTOMIZATION

Use Mimi's modern plastic color palette to brighten up and personalize any work area or public space. Choose from 12 plastic colors and two frame colors to find the combination that fits your setting.

DESIGN AND COMFORT

Mimi is a multipurpose seating solution that offers movement, back support, comfort and flexibility. Mimi's movement is dual action with flex back motion as well as pelvic support. You get movement when you want it and constant pelvic support to provide the right balance of comfort and ergonomics. However, you choose to sit and however many times you move and shift throughout the day, our Mimi is right for you.
