

# ELEVATE

A new soft contract collection that embraces the notion of choice. Combining a variety of distinct seating options that foster human-centric work spaces, the Elevate™ collection allows every individual to work in the way that is the most inspiring and productive for them.

From soft, comfortable lounging options to private, task-focused solutions, each piece aims to help create an environment that functions for every individual working style, and task at hand.

(Right)

**Verge 74001**

Lounge chair in Allegra Steel  
Drum with Walnut base.

**Verge**

With small footprint yet large presence, Verge™ is a lounge chair designed to provide the feeling of a comfortable oversized lounger, without taking up the space of one. Beautiful and inviting, Verge offers plush, full cushions, enveloping structure, and a wood base that exudes warmth and softness – giving off a residential feel. Designed with a 360-degree swivel for mobility, it's made to foster easy communication and collaboration amongst individuals.

**Ellaby 71161**

Lounge chair in Merkat Dark  
Terracotta with Walnut base.

**Stix 71180**

Side table in Walnut and Black.

**Toss Pillow 56501**

20" x 20" toss pillow in  
Merkat Pistachio.

**Danber**

Soft, comfortable, and proportionally beautiful, Danber™ brings the peaceful, relaxed setting of home to the work space. Clean, delicate lines, soft wooden legs, and rich Italian cushions all contribute to Danber's calming sensation. It's the type of piece that helps people take their mind off the fast-paced working environment and invites them to sink right in and focus. Available in both two seat and extended two seat sofas.

**Lull**

A private retreat that encourages focus, the all-new Lull™ lounge chair is designed to bring individuals down into a grounded, pensive space. Smooth, curved edges, and noise reducing properties create a quiet haven for the individual. And a 360-degree swivel allows people to angle the seat to shelter their focus from any distractions.

**Lull 74111**

Lounge chair in Merkat

# ELEVATE

## **Designer Collaborations**

Keilhauer carefully selects product designers whose design philosophies and values complement our commitment to design excellence. Our partnerships with some of the best designers in the world result in the beautiful, functional products that make up the Keilhauer catalog.

## **Quality Materials**

Resilient steel; rich, solid wood; luxurious leathers and fabrics; Keilhauer sources the finest materials in the world to ensure every piece is built for comfort, durability, and admiration.

## **Engineering Iconic**

From sketch to model, from prototype to a coveted icon of design – our engineers work side by side with product designers to create extraordinary seating and tables. Ingenuity, research, and talent transform vision into reality.

## **Crafting Excellence**

Keilhauer's legacy is based on the expertise of master upholsterers, pattern cutters, engineers, and tailors. Every item is crafted to provide our customers with exceptional quality and to add another chapter to our story of excellence.

## **Sustainability Focused**

As with all Keilhauer furniture, the Elevate collection is built from the highest quality materials and is supported by Keilhauer's standard 10-year warranty. The Elevate collection is expected to carry BIFMA level® 2 (gold) and SCS Global Services certification for Indoor Air Quality at the Indoor Advantage Gold level.

## **Design Leadership**

Provoking, iconic, and covetable, Keilhauer is recognized around the world for design excellence. Every piece in our offering features unparalleled craftsmanship, thoughtful details, and incredible comfort.
