

Luno

**Posture is more than ergonomics –
it is how you tell a story.**

**Sit up straight to
command attention.**

Lean in to create excitement.

**The way you sit speaks
as loudly as words.**

A balance of strength and softness, authority and familiarity.

Luno's hard and precise shell appeals to logic, while its wide, soft, welcoming interior provides comfort.

**Luno incorporates movement
and varied posture to
improve communication.**

**There is no one right body,
no one right way to tell a story,
and no one right way to sit.**
