ATIVA

2011 | Conference

Since its founding in 1944, Nucraft has worked with customers to create inspiring conference rooms, private offices, reception areas, and training spaces. The company's designs and custom capabilities delight clients who demand the most exacting fit, finish and value for their environments. Every day, Nucraft serves customers with imaginative solutions that integrate technology and furniture in new and inventive ways.

DESIGNER PROFILE: JOEY RUITER, J.RUITER DESIGN

Joey Ruiters is redefining expectations in the world of art and design. By pushing the limits to confront established expectations, his designs support everyday function in surprising ways. Joey's eclectic mix ranges from office furniture to sculpture, concept watercraft to household objects.
