

Nineteen20

A good cup of coffee needs a great place to rest as you share in conversations or turn the page of your latest read. From our roots in hospitality, welcome to the Nineteen20 table collection. Pull up a chair, we have a perfect spot just for you.

Come together

The Nineteen20 collection contributes a variety of shapes, sizes, colors and materials to the incredible cafés, kitchens, respite and community areas that have become destinations throughout the day.

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
