

KENZIE

MODULAR SEATING

Kenzie Rectangular Laptop Table

Privacy Panel with Counter Height Surface

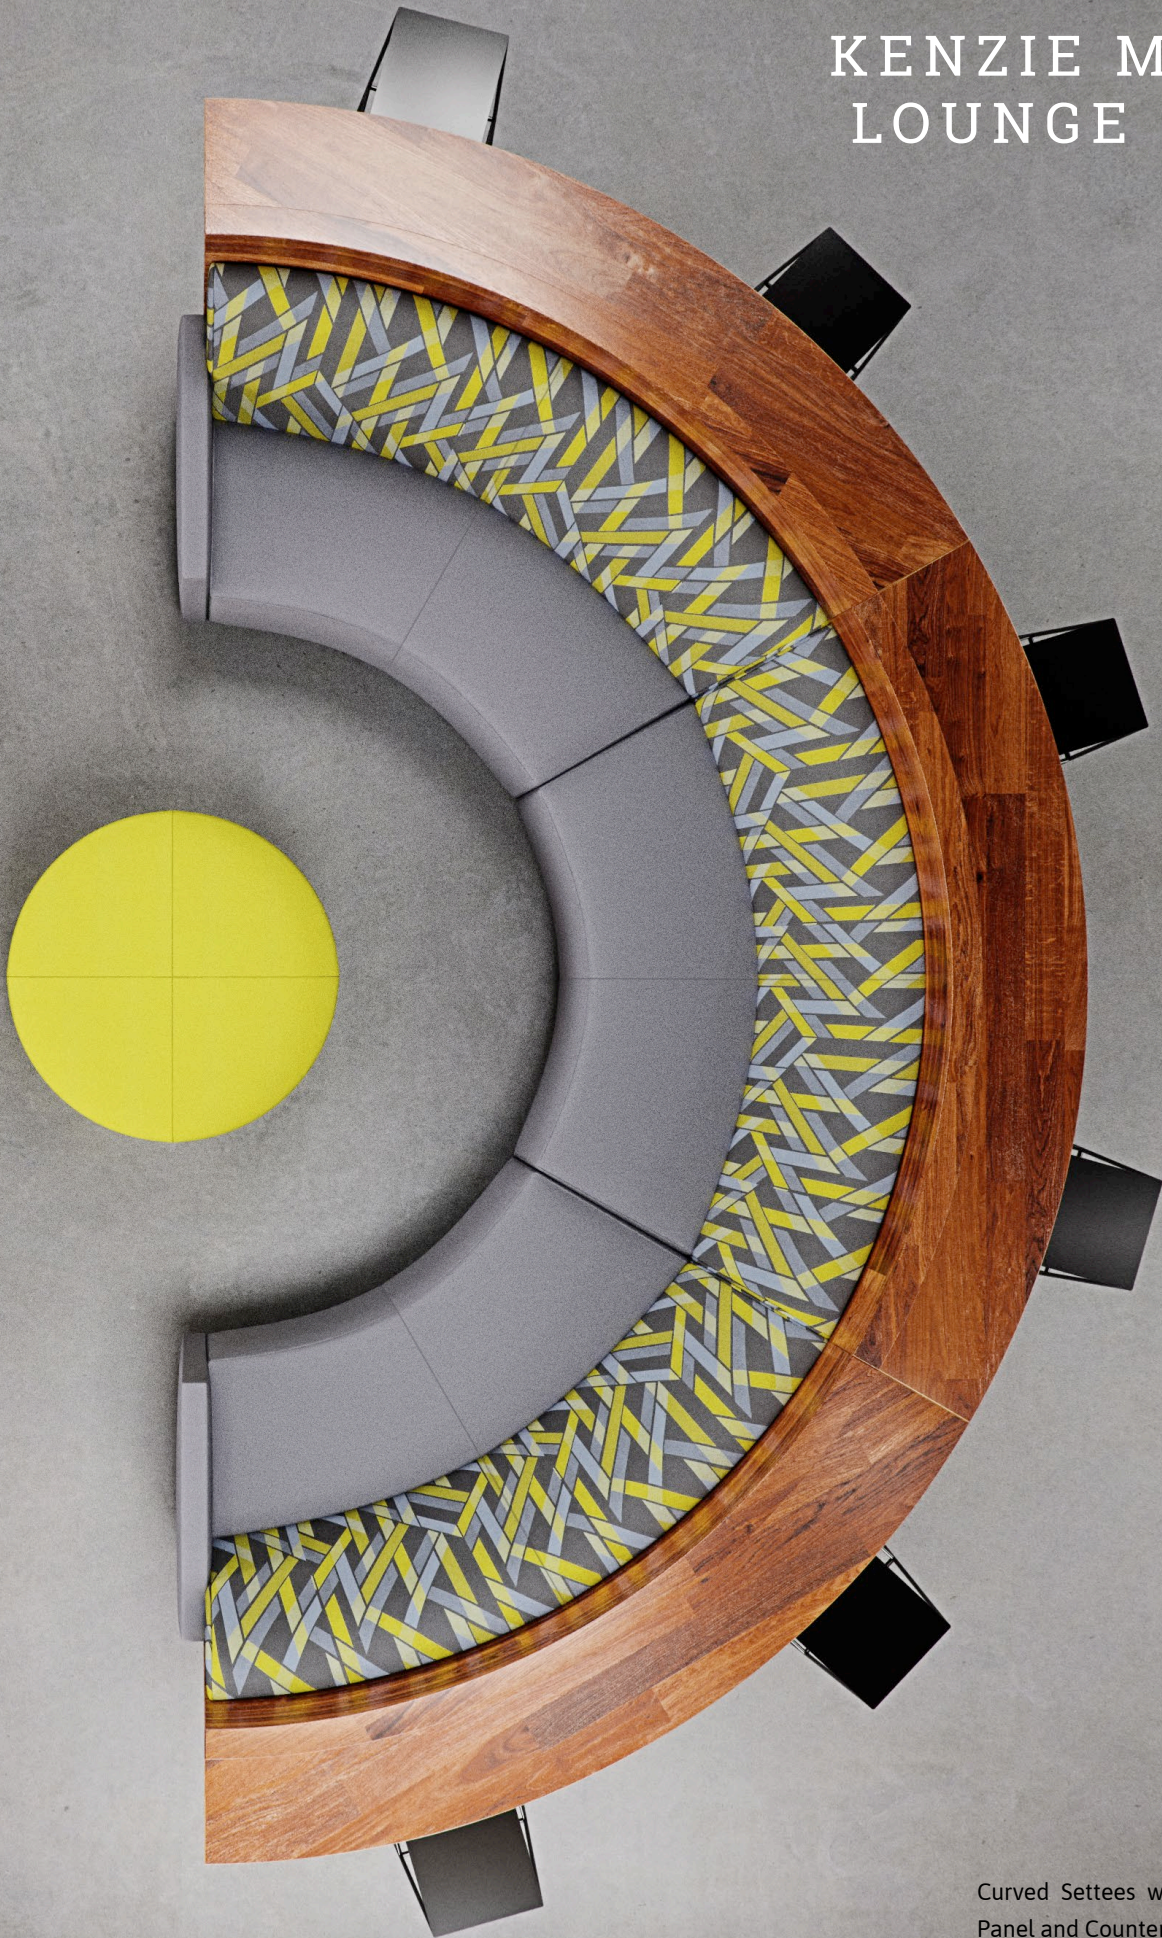

P16 Power Module

Kenzie Modular Seating defines any space as a large sweeping curved unit or as a collaborative area. Kenzie combines craftsmanship with quality construction. The curved lines of these tailored lounge pieces are well complemented by six different ottoman choices.

Add a flush mount Power Module with 2 receptacles and dual USB for functionality and accessibility in either occasional tables or lounge chairs.

KENZIE MODULAR LOUNGE SEATING

Curved Settees with Planked Walnut Privacy Panel and Counter Height Surface

LOW BACK SEATING

Our new Low Back option alters the Kenzie's classic proportions while staying balanced and refined. The more open design of the Low Back Kenzie helps to encourage engagement and conversation critical for social connection and collaboration.

Kenzie Modular Furniture can be used to design spaces that are intimate, focused layouts for team collaboration and it can also be used to create large informal spaces to foster a sense of community and interaction. 3-D files are available for easy layout and floor plan integration.

Round Table with Solid Surface Top & P-16R Power Module

Wood Plinth Base with Solid Wood Feet

Kenzie Modern Black Metal Leg

Cafe Tables

With Multiple Leg choices and an expansive range of finish options, you have the luxury to create cohesive and diverse styles with the Kenzie Modular Furniture Line.

Kenzie was also designed to pair seamlessly with our Brooklyn Tables and our new Cafe Tables.

Pair Kenzie inline and freestanding tables with the Kenzie series of lounge chairs and benches to create a limitless number of arrangements that are easy to reconfigure and scale.

Kenzie Lounge, Benches & Ottomans with Rustic White Oak Feet and Tables and Black P-16 Power Module

At Coriander Designs, we are PROUD to manufacture all our products in America. Since 1979, Coriander Designs' business model of keeping its manufacturing in the USA has resulted in a smaller eco-footprint, local job creation and long term manufacturing stability. At our Woodinville, Washington headquarters, we are able to be flexible in our product offerings, thus meeting the customers needs efficiently and effectively. We have total control over materials that allows for the assurance of the highest quality.

Designed for you / Built to last the test of time.
