## SOLEIL

Akin to the brilliant light of a sunny day, Soleil illuminates with gracious beauty and a heightened sense of well-being. With keen sensitivity to its surroundings, this comprehensive collection first and foremost maintains a stylish, healthcare-centric design. Its features support options for ease of maintenance and extended product life, yet the genuine comfort it delivers wholly defines its pure nature. Warm and inviting for either short or long-term waiting requirements, Soleil shines brightly in any environment.

Built-to-order tandem models comprised of guest chairs, 34" and 40" wide bariatric units as well as connecting tables in noteworthy shapes to create inspiring configurations for spaces big and small.

#4461-CO Lounge Chair with #442-333316-CO Soleil Triangle Table

#4450-CO Patient Chair with  
#440-1820 Soleil Round Table

On The Cover: Built-To-Order Tandem Configuration with Guest Chairs and In-Line Tables. Presented with #4410-W Guest Chair and #442-202020 Soleil Triangle Table.

PRODUCT SPECIFICATIONS

Models include stand-alone guest, bariatric, lounge, patient and hip chairs as well as pre-configured and built-to-order tandem units. All models feature wood, black urethane and Corian® arm cap options. Wood arm caps available in Beech, Walnut and White Oak. Metal frame offered in five standard powdercoat finishes as well as premium selections. All

models feature passive flex back, clean-outs on every side, radiused arm cap edges, wall-saver leg design and replaceable componentry for extending product life. Corner, in-line and end connecting tables, in veneer, laminate and Corian, available for built-to-order tandem configurations. Accompanying occasional tables also offered.
