Lift

Designed by jehs+laub

Lift is an adjustable height laptop table with the flexibility and functionality to be specified anywhere. Great for collaborative spaces, each person who uses Lift can choose the right height for their own needs and quickly and easily adjust accordingly.

Meet the new generation in side tables, Lift by jehs+laub. This small but mighty occasional table impresses with its fresh design, adjustable height, and wide range of applications. Whether in offices, project rooms or informal discussion areas, Lift is always at your service.
