

Genie[®]

ergonomic, designer, high-performance
seating for HD 24/7 applications

SEATING

great things happen in a chair

One look is instant captivation,
taking a seat is instant elation.

The 4-way elastomeric stretch mesh, contoured Genie® lamp-inspired frame, and waterfall seat work in harmony to relieve pressure points and deliver the best-of-class, lasting, ergonomic sitting experience.

features

- Unique, contoured mesh for upper thoracic mobility.
- 6 seats all in one look.
- Quick adjust advanced synchro and body balance mechanisms with optional seat depth adjustments.
- 12 year heavy-duty, 24/7 use warranty including the foam.

Design by
Henner Jahns

Henner Jahns, founder and lead designer of Gecco Vision (est.1997), specializes in creating tailor-made office furniture. His company focuses on cultivating a vision into

reality. The small design team is seen as an advantage, allowing each member to really focus on the development of something new. The result is numerous, award-winning, seating solutions that stand out.
