

# Brisbane HD

heavy duty, 24/7 task seating

  
SEATING

great things happen in a chair

Ergonomic big & tall,  
heavy-duty task seating  
for 24/7 environment use.

The high and mid back Brisbane HD 24/7 series is built to withstand tough environments. It is weight rated up to 450 lb and is backed by Via Seating's 12 year warranty (even the foam).

## Ballistic Brisbane

Uses incredibly strong nylon fabric strategically placed to stand up to utility, tool and security belts rubbing against the chair back. Combined with our Brisbane HD 24/7 mid back, this feature makes this the perfect heavy duty chair. Available with all seat sizes on the mid back models only.

## features

- High & mid backs with adjustable height.
- Offering six seat sizes—petite (AA) to heavy-duty, extra-large (D).
- Featuring quick adjust advanced synchro. with an optional seat depth adjustment.
- 12 year heavy-duty, 24/7 use warranty including the foam.

Design by  
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
