SEATING

great things happen in a chair

High-performance, high-density stacking & light task seating.

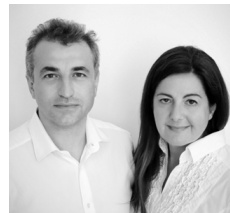

Experience a Splash of options, bringing color, comfort and ease to your multi-use seating. Embrace poly, mesh or upholstered backs across stacking chairs, stools, light task chairs and light task stools. All chairs are lightweight and portable.

features

- Chairs & stools available with poly, upholstered or mesh backs.
- Upholstered options.
- Side chairs & bar stools stack.
- Available with or without arms.
- 6 year warranty, 5 year for mesh.

Design by
Basaglia & Rota Nodari

Alberto Basaglia & Natalia Rota Nodari met while studying at the Politecnico of Milan & graduating in architecture. These Italian designers aim to transcend the typical image of the Italian designer. The pair

achieve this by capturing beauty in equal measure with the technical aspects of their creations. Their visions manifest into award-winning, lovely furniture that captivates and stands the test of time.
