

Vero

designer conference & executive seating

SEATING

great things happen in a chair

Designer lines & comfort
for management, executive
& conference seating.

Vero is a chair of balance. Defined lines create an appealing back design around a carefully sculpted seat. High and mid back models make a statement both aesthetically and in their ergonomic comfort.

Designer loops

Four elegant loop arms are available on all Vero models. Apply an all polished, black polyurethane, polished with black polyurethane cap or polished with fully upholstered cap loop.

features

- High & mid chairs with choice of adjustable height or fixed backs.
- Featuring quick adjust advanced synchro and body balance mechanisms with optional seat depth adjustments.
- Optional basic conference control.
- 12 year warranty including the foam.

Design by
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
