Mike Shields - Studio 3

Led by the belief that form truly does follow function, industrial designer Michael Shields of Studio3 has been designing furniture for over 30 years. His focus is on designing for disassembly, seeking out environmentally responsible materials, and ensuring comfort for the user.

After working closely with other contract manufacturers, Michael launched an independent design studio in North Carolina, where he has been providing clients with innovative products since 2001. His work has earned him over twenty patents and six Best of NeoCon awards.
