

Interlude

Public spaces

Interlude is a unique and broad solution based family of seating ideal for all areas throughout today's healthcare facilities. Interlude's multiple styles and material choices make it adaptable to specific areas of a facility, maximizing evidence based design principles.

Multiple arm styles provide varying levels of support to users. A variety of design materials including multiple metal and wood finishes, optimize the specifier's choices.

David Dahl

Los Angeles-based designer David Dahl has been making pieces for residential clients for almost 25 years. Raised in Kent, Ohio, David brings together Midwestern ideals with a coastal influence in each of his designs. Attention to detail and passion for craft have distinguished David's designs in the industry.

In 1992, David opened Dahl Furniture, contracting work for many contract manufacturers. David is known for his versatility, quality, and belief that good design is a sign of respect for those who will purchase, own, and use the product.
