

## Saven

Public spaces

We designed Saven to provide ideal support for new mothers and their babies. You can adjust Saven's arms independently to easily find a comfortable position, and its gentle motion calms and soothes. But Saven isn't limited to this setting.

From corporate wellness rooms to long-term care, nurseries, home health, or other public and patient spaces, Saven provides a resting place with subtle movement that helps people restore.

Mike Shields - Studio 3

Led by the belief that form truly does follow function, industrial designer Michael Shields of Studio3 has been designing furniture for over 30 years. His focus is on designing for disassembly, seeking out environmentally responsible materials, and ensuring comfort for the user.

After working closely with other contract manufacturers, Michael launched an independent design studio in North Carolina, where he has been providing clients with innovative products since 2001. His work has earned him over twenty patents and six Best of NeoCon awards.
