executive & conference swivel seating

proxy

*Zipper back detail
Aluminum cantilever arm with grey arm cap
Grey urethane soft wheel caster*

lustrous composure

Proxy dresses for any occasion, from progressive back designs to polished aluminum details, for maximum effect.

collaboration without concession

Optional conference cylinders with stylish handles offer subtle environment control without sacrificing flexible functionality.

proxy

uncomplicated flexibility

Don't compromise. Proxy can be a workhorse—offering unprecedented value with 6 knit back color options to complement any space. The knit conforms and supports better than a mesh back.

*Double stitch back with handle
Stool base with adjustable footring
Low back contour lumbar support*

attentive performance

The perfect stool combines performance with aesthetic; realized here in an easy-to-navigate, handled, low back, for uncluttered, elevated seating with complete lumbar support.

instantaneous transitions

Proxy multi-tasks like a pro, transitioning from a seated to standing position to instantly transform any workspace.
