# Agyl

Agyl blends casual comfort with practical mobility for the modern workplace with an enveloping shape that offers an upright seat. It features relaxed, invitingly warm upholstery while casters and an optional tablet provide effortless flexibility. Designed for movement, Agyl creates a cozy spot for focus wherever it's needed.

## 102000

Lounge chair with casters and optional tablet in Black with Steel Blue arm, upholstered in Loop Burgundy Blue

# FEATURES

Agyl's cozy, enveloping shape sits more upright than a standard lounge chair to balance comfort with concentration.

Lounge chair with  
casters, upholstered  
in Loop Burgundy Blue

# FEATURES

A raised ribbon edge following Agyl’s shape creates a sense of movement.

**102000**  
Lounge chair with casters and optional tablet in Black with Onyx arm, upholstered in Aria Iron

**102000**  
Lounge chair with casters, upholstered in Loop Burgundy Blue

# FEATURES

Casters make Agyl easy to move throughout a space. The handle on the back acts as both a visual cue and a practical tool for easy and convenient movement.

**102000**  
Lounge chair with casters, optional tablet in Black with Light Gray arm, upholstered in Nova Neptune

# FEATURES

Agyl brings concentration to comfort with an optional tablet. The tablet features a proprietary mechanism with two pivot points, bringing productivity within reach to both left- and right-handed users.

# DESIGNING FOR THE ENVIRONMENT

CERTIFIED

Agyl is carbon neutral. We took every possible step to reduce carbon emissions, from sustainably sourcing materials and responsible manufacturing to a robust end-of-life and recyclability plan. To eliminate any remaining carbon created during the manufacturing of this product, we invest in carbon-offset projects.

Every component of Agyl was designed with the well-being of our planet in mind. In addition to being a carbon-neutral product, Agyl is constructed with FSC®-certified wood, ensuring a positive environmental impact.

Agyl carries a BIFMA LEVEL® 3 and meets rigorous sustainability standards, making it a preferred choice for environmentally conscious businesses and organizations aiming to reduce their ecological footprint.

Agyl also meets the highest standards for environmental and indoor air quality with SCS Indoor Advantage™ Gold and Greenhealth Approved™ certifications.
